A REPORT TO YOU FROM CARON

By O. J. CARON

PRESIDENT, CARON SPINNING COMPANY

1955...ANOTHER RECORD-BREAKING YEAR OF PRODUCTION

MORE POUNDS OF YARN THAN EVER BEFORE

Yarn production from the two Caron plants in 1955 rose to new highs, with more pounds of yarn manufactured and shipped than ever before in our history.

AGAIN, THREE SHIFTS AROUND THE CLOCK

This year, as before, both Caron plants have run at full capacity, around the clock! Three shifts a day, a minimum of five days each week, throughout the year, have kept fine-quality Caron yarns moving steadily out to customers all over the country.

CARON WOOL CONSUMPTION BIGGEST IN 5 YEARS

Yes... again Caron paces the field. In the midst of predictions about the future "return" of wool, Caron wool sales have already risen to their greatest level since 1950! To satisfy this greatly increased demand for Caron quality worsted yarns, Caron keeps its production facilities up-to-the-minute... maintains its own combing plant... exercises rigid Sheep-to-Knitter quality control, right from raw material purchases by our own buying organization direct from the grower.

ROBESONIA PLANT PRODUCTIVE CAPACITY INCREASED 35%

Now, watch us go! Just within the past few months, Caron's program of expansion at Robesonia was completed and put to work, to start those fast-selling Caron synthetic yarns moving out in greater quantities than ever before possible, to satisfy customer demand.

BIGGEST YEAR YET FOR CARON SYNTHETICS

Everybody—but everybody!—wanted more Caron synthetics this year! Caron is happy to report this progress, and lists the following specific developments:

Turbo Hi-Bulk Orlon Appears on the Scene. This newcomer caught on quickly because of its softness, luxurious hand, and wonderful loftiness... shows really tremendous promise of future growth.

Caron Vicara Blends "Show their Stuff". We're proud of the record our Vicara blends are making. Because the addition of this "luxury fiber" in yarns has supplied the need for "something different" in the market—and because we're so ideally equipped to supply them to you—our sales curve just keeps on rising. In blends with Orlon, Nylon or Wool, Caron Vicara-blend yarns yield the features you want—super-softness that doesn't wash out, and lifetime resistance to pilling and static "cling".

Type 42 Orlon Bigger Than Ever. There seems to be no stopping this popular fiber—it just keeps on gaining in sales!

Nylon, Nylon-Vicara Established as Staples. No question about these two fine yarns from Caron; they've taken a firm hold—and they're here to stay!

DIRECT SALES ON WEST COAST

With the appointment of Tom Saggau to sales and service on the west coast, Caron took a big step toward assuring even closer working relationships and more efficient service to customers in that area. Tom's been with us five years, learning the business from the ground up; he'll do a good job!

WITH FAITH IN THE INDUSTRY'S FUTURE, CARON BUILDS... AND KEEPS ON BUILDING

We are grateful to our friends and customers whose patronage and confidence have helped to make this an outstanding year in Caron history... and have inspired the faith which keeps us building for still better service and a still brighter future!

THE REV. E. L. LEISEY, D. D.
Pastor 1940—1957

Pastor's Foreword

A CENTURY OF PROGRESS

1957 promises to be an eventful year. In one hundred years (1853) we have gone from a 12 Church Parish consisting of Womelsdorf, Rehrersburg, Millersburg, Myerstown, Sinking Spring, North Heidelberg, Bern, Reed's, Belleman's, Alsace, St. Michaels, Geigertown, Kissinger's, Strausstown, Host, Plow and St. Daniel's. This represented a Parish covering approximately 300 square miles under the pastorate of Rev. Thomas Jaeger. In the meantime Parish boundaries have changed many times until the hour has come when some of these churches represent a one Church Parish and another dozen churches have been added in the same territory.

THE LAST DECADE

During the last decade each church has improved in its own way.

St. Daniel's added an educational unit and improved its historic church to the extent of approximately \$125,000.00 besides the Memorial Amphitheatre which honors its heroes of two World Wars.

Trinity has grown from its small beginnings to a mature congregation with 375 members and doubling the capacity of Lutheran Hall. In the meantime these two churches were separated from a four Church Parish to a two congregation unit. They met those increased obligations easier than before and ended their years with larger balances in their respective treasuries.

The present status of the solvent condition of each congregation can best be seen on the subsequent pages of this book under the heading of the Treasurer's Reports.

THIS PAST YEAR

During the past year both churches of this Parish have made tremendous forward strides. St. Daniels has erected a permanent building on the Fair Grounds at a considerable cost and paid off over \$4000.00 on its Building indebtedness plus paying its full Benevolence quota, Lutheran World Action and about $\frac{3}{4}$ of its Muhlenberg College obligation. Trinity has contracted for \$106,000 Educational Unit, paid its full Benevolence and Lutheran World Action and its Muhlenberg quota was paid during the previous year.

THE FUTURE

Such a glorious past can only augur well for the future when a more intensive work can be done by two Pastors with the help of approximately 1000 members in these two fine churches. Each one has the fundamental buildings which can be improved as the years go by, to facilitate the more highly specialized effort that is necessary for the promotion of Christ's Kingdom in this new age.

AUF WIEDERSEHEN

In a few months the Pastor and his wife will retire to their "Old Stone House" on the banks of the Cocalico, after sixteen years of rich experience in Western Berks. We shall never forget the many kindnesses extended to us. Whatever success attended our efforts was made possible by your loyal support. We shall continue to treasure your friendship but we are conscious too that your future loyalty must now turn to the new Pastors who will soon be your shepherds and Spiritual advisors. We breathe a prayer for your continued success under their wise leadership.

Please bear in mind that this new leadership will indicate many new and what may appear to be strange methods but pray that you may be loyal not only to the human leadership of your Pastor but above all, to the "Great Head of The Church."
